

GARY PAYTON

Strain Description:

The Gary Payton strain, named after the legendary NBA player, and NBA Hall of Fame, Gary Payton, has emerged as a highly sought-after balanced hybrid strain in the cannabis community.

Its hybrid nature combines the best attributes of both indica and sativa varieties, resulting in a well-balanced experience for users. This strain not only offers a delightful aroma and flavor profile but also delivers powerful effects that can range from euphoria to relaxation. The potency of the Gary Payton strain makes it an appealing choice for those seeking a strong and long-lasting high. Gary Payton has won multiple cannabis cup awards, including 1st place in the 2022 Erri Cup in Arizona and 2nd in 2022's The Emerald Cup.
