

ORIGINAL BLITZ

Strain Description:

The strain has a beautiful and pleasant aroma and taste that comes from terpenes. It's anti-inflammatory, antioxidant and anti-anxiety properties are attributed to the main terpenes Alpha-pinene, limonene and Beta-Caryophyllene which has a positive effect on sleep disorders, anxiety and stress relief.

The perfect sweet tasting indica for any lover of classic strains, Original Blitz packs a heady high that is perfect for helping you get to sleep after a long and stressful day.
